

Sprint 3 Report , SnakeCatcher, 11/20/17

• Actions to stop doing:

- Stop showing up late to scrum meetings without communication.
- Better communication in general.
- Start pulling and pushing code consistently and constantly.

• Actions to start doing:

- Team members should communicate more efficiently by checking slack more.
- As a team we should start working on the project in group settings to get more done.
- When working on code in branches, communicate with what will be altered so that merging won't be that messy.

• Actions to keep doing:

- As a team we should keep updating the trello board with detailed tasks.
- As a team we should keep staying focused during our meetings to stay on track for our sprints.
- As a team we should keep completing our tasks on time and continue working on the backlogs.

• Work completed/not completed + Backlog from previous Sprint:

- (55) As a user I want to be able to use the location services to find my phone.
- (34) As a developer I want to make sure the recordings will be stored for only a certain amount of time.
- (34) As a user I want to be able to set up a recording without much trouble.
- (21) As a user I want to get email notifications and alerts when my stuff is "moving".
- (13) As a user, I want to be able to sign in using my Google Account.
- (34) As a user I want to be able to access recordings that I have chosen to keep.

• Work completion rate:

- 4.5/6 user stories were completed
- 102 ideal work hours completed
- 13 days in Sprint 3
- Roughly 7.8 hours per day of work
- Approximately .35 user stories per day completion rate
- See burn-up chart for Sprint 3
